

# INVITATION

**Sofia Energy Agency SOFENA**  
**University of Architecture, Civil Engineering and Geodesy**  
**Technical University of Sofia**  
**Bulgarian Association for Construction Insulation and Waterproofing**  
**Union of Architects in Bulgaria**  
**National Installation Union**  
**Union of Automation and Informatics John Atanasoff**

have the pleasure of inviting you to the conference:

## **Integration of Energy Efficient Solutions and Renewable Energy Sources in New and Renovated Buildings**

26-27 June 2008, Sofia, Park-hotel Moskva

The conference **Integration of Energy Efficient Solutions and Renewable Energy Sources in New and Renovated Buildings** is being organized in the frame of the project REBECCEE – Renewable Energy and Building Exhibition in Cities of the Enlarged Europe. The REBECCEE project is carried out under the European Union's programme Intelligent Energy and has the aim to promote organization of building exhibitions, workshops and parallel events where architects, engineers and techniques have an opportunity to present the new for Bulgaria projects – low energy and passive buildings, building management systems, integrated systems using renewable energy sources, etc.

As a forum, that is first in order in Bulgaria, the conference will cooperate the efforts of universities, research centers, construction companies, design desks and small and medium enterprises in the installation sector for popularization of low energy and passive buildings and innovative energy efficient solutions and systems.

In the frame of the conference will be provided:

- o participation of scientists and specialists with a big practical experience in designing, implementation and maintaining of contemporary buildings;
- o organization of sessions with participation of pupils, students and Ph.D. students from Bulgarian and foreign schools and universities;
- o visiting of two objects in Sofia with demonstration and discussion for priority of new technologies and their execution.

**Work Languages: Bulgarian and English**

**Program Committee:**

Prof.Dr.Arch. Jordan Radev – vice-dean of Architectural Faculty, UACG

Prof.Dr.Eng. Dimitar Nazarski, UACG, member of the Management Board of BACIW

Assoc.Prof.Dr.Eng Nikola Kaloyanov, vice-rector, TU-Sofia

Arch. Peter-M. Friemert, ZEBAU GmbH  
Prof.Dr.Petko Vitanov – Central Laboratory of Solar Energy and New Energy Sources, BAS  
Assoc.Prof.Dr.Eng. Kosta Boshnakov - Industrial Automation, University of Chemical Technology and Metallurgy - Sofia  
Arch. Rosen Savov - member of the Management Board of UAB, vice-mayor of Region Izgrev  
Assoc.Prof.Dr.Eng. Zahari Zarkov - Technical University - Sofia  
Assoc.Prof. Ivan Shishkov - chair of the Management Board of Sofia Energy Agency - Sofena

**Organizing Committee:**

Arch. Peter-M. Friemert, ZEBAU GmbH  
Arch. Rosen Savov - member of the Management Board of UAB, vice-mayor of Region Izgrev  
Assoc.Prof. Ivan Shishkov - chair of the Management Board of Sofia Energy Agency - Sofena  
Eng. Zdravko Georgiev - Sofia Energy Agency - SOFENA

**Secretariate:**

Sofia Energy Agency –SOFENA  
44 Oborishte Str., Sofia – 1505, Bulgaria  
Tel.: + 359 2 943 49 09; Fax:: +359 2 943 44 01  
E-mail: [issofena@techno-link.com](mailto:issofena@techno-link.com); [zgeorgiev@sofena.com](mailto:zgeorgiev@sofena.com)

**Topics:**

- Passive and low energy buildings;
- Thermal insulation systems for buildings;
- Integration of energy efficient solutions in new and renovated buildings;
- Integration of renewable energy sources in new and renovated buildings;
- Innovative solutions for energy efficiency and renewable energy sources;
- Building management systems, heating, ventilation and air conditioning systems;
- Solar installations, heat pumps and biomass installations;
- Ensuring of the quality of installation of energy efficient solutions and exploitation of building systems and installations.

**Terms and requirements**

The authors should submit their materials electronically by e-mail to the Secretariat:  
- Dully filled out Participation form and Annotation by 30.05.2008 in English ;  
-Paper in English or Bulgarian - by 10. 06. 2008.

The Annotations and Papers should be submitted to:  
e-mail: [issofena@techno-link.com](mailto:issofena@techno-link.com); [zgeorgiev@sofena.com](mailto:zgeorgiev@sofena.com)

**Participation fee:**

20 EUR - paid until 15.06.2008;

25 EUR – after 15.06.2008 and in the day of Conference

The participation fee includes Conference Proceedings and official cocktail on the 26th June, 2 lunches and coffee breaks. Lecturers do not pay participation fee.

Attendees without materials and admittance to the official cocktail - free of charge

The registration is compulsory by filling out and sending the registration form (published on the conference web site: [www.sofena.com/ConferenceEng.htm](http://www.sofena.com/ConferenceEng.htm) )

**Fees for company presentations:**

- Company presentation (20 min.) - 250 EUR before 15.06.2008 and 275 EUR after 15.06.2008. The fee includes presentation and participation of 2 company's representatives.
- Poster presentation - 250 EUR before 15.06.2008 and 275 EUR after 15.06.2008. The fee includes poster presentation and participation of 2 company's representatives.
- Sponsors - 500 EUR. The fee includes presentation and participation of 3 company's representatives, advertisement in the flyers and other informational materials and in the Conference Proceedings.
- General Sponsor - 1000 EUR. The fee includes presentation and participation of 5 company's representatives, advertisement in the flyers and other informational materials and in the Conference

The participation fee could be paid in cash at the office of Sofia Energy Agency - SOFENA or transferred to:

Unicredit Bulbank AD, IBAN BG40UNCR76301021720017, BIC: UNCRBGSF

**All author requirements and registration forms are published on the official conference web site: [www.sofena.com/Conference.htm](http://www.sofena.com/Conference.htm)**
